Congratulations to you and the rest of your team on making it into the 2017-2018 Pinnacle Club! Our member audits program has been in place for many years and has a long-standing reputation in the industry of helping to ensure regulatory compliance and to assist companies in always being "audit-ready". Performing well in this unannounced audit program reflects a high level of dedication to food safety practices within your organization. Attached you will find your Pinnacle Club certificate, which is valid through June 2019.

This year has brought many changes in the industry, driven by both regulatory changes and evolving customer expectations. We will continue to support your team through this changing landscape and help your organization to stand out as leaders in the food industry, and we appreciate your continued support of the association. DFA and Safe Food Alliance are here to help with all of your food safety needs; please contact us with questions or if we can help your team in any way.

This year the Pinnacle Club Golf Tournament and Awards Ceremony will take place during the Safe Food California Conference (April 2-4, 2019). Further details will be provided closer to the conference.

Feel free to reach out to us with any food safety questions you may have.
